SACRAMENTO METROPOLITAN CHAMBER OF COMMERCE

2026 STATEWIDE PROPOSITIONS

Issue	Summary	Position
PROPOSITION 1 Quick Guide	Authorizes $11.25 billion in state general obligation bonds for housing affordability programs, including multifamily rental housing, mortgages for veterans, supportive housing, preservation of existing affordable housing, and downpayment assistance.	SUPPORT
PROPOSITION 4 Quick Guide	Lifts the ban on using public funds for political candidates' campaigns. Removing the ban allows state and local governments to create public campaign financing programs in the future if they wish. This does not create a public campaign finance system for the state or local governments directly.	OPPOSED
PROPOSITION 37 Quick Guide	Authorizes $25 billion in bonds to offer eligible buyers fixed-rate mortgages for up to 17% of purchase price of a newly constructed home priced below about $1.5 million. Borrowers must be California residents, occupy the home, meet income limits, and pay at least 3% down. Bonds repaid by mortgage payments, not State.	SUPPORT
PROPOSITION 40 Quick Guide	Imposes 5% tax on certain taxpayers with assets over $1 billion; revenue primarily for health care. Exempts revenues from constitutional requirements for school funding and spending limit.	OPPOSED
PROPOSITION 41 Quick Guide	Nullifies state taxes enacted after January 1, 2026 that exempt their revenues from voter-approved state spending limit. Requires pre-election and recurring audits of programs funded by new special taxes.	SUPPORT
PROPOSITION 42 Quick Guide	Prohibits any new state tax (1) imposed on the ownership of personal property (all things people own other than real estate), or (2) that applies retroactively based on taxpayer's past activities. Nullifies taxes enacted after January 1, 2026 that conflict with this measure.	SUPPORT
PROPOSITION 44 Quick Guide	Imposes penalties on nonprofit Federally Qualified Health Centers (community clinics providing primary care to medically underserved areas and populations) that spend less than 90% of revenue on "program services" advancing their charitable purpose, including but not limited to patient services.	OPPOSED
PROPOSITION 45 Quick Guide	Amends California Environmental Quality Act (CEQA) to expedite environmental review for certain projects (including most housing, transportation, water, and health projects) by setting deadlines to complete environmental review and resolve lawsuits challenging project approvals.	SUPPORT

SACRAMENTO METROPOLITAN
CHAMBER OF COMMERCE

2026 LOCAL MEASURES

Issue	Summary	Position
MEASURE C City of Rocklin Measure Information	Establishes a half-cent sales tax generating approximately $8 million annually for general city revenue, funding 911/emergency response, police and fire protection, park maintenance, and wildfire prevention. Funds stay local, with no sunset date until ended by voters, subject to annual audits and public disclosure.	**SUPPORT**
MEASURE H Sacramento County & Yolo County: Los Rios Community College District Measure Information	Authorizes $1.1 billion in bonds to build affordable job-training and career facilities, provide safe drinking water, and repair leaky roofs, at an average levy below $17 per $100,000 of assessed valuation ($74.5 million annually while outstanding). Requires independent audits and oversight, with all funds staying local.	**SUPPORT**
MEASURE X Yolo County Measure Information	Raises the Transient Occupancy Tax on hotel/lodging/short-term rental guests in unincorporated Yolo County from 8% to 12%, generating an estimated $250,000 annually for health and human services, public safety, and emergency preparedness.	**SUPPORT**
MEASURE Y City of Woodland Measure Information	Enacts a one-cent sales tax generating approximately $16 million annually for general city services, including road repair, police and fire staffing, and park and public-space maintenance. Funds are locally controlled with independent audits and public disclosure, with no sunset date until ended by voters.	**SUPPORT**
